

## Accessibility Statement for Individuals with Disabilities

We are committed to ensuring that our website and mobile applications are accessible to individuals with disabilities. If you need assistance using our website or mobile application, or assistance with a document on the website or application, we can help you. Please call us toll-free at 1-855-523-9355 or email us at [hi@hihealthinnovations.com](mailto:hi@hihealthinnovations.com).

For password help, registration issues, technical issues, or other general assistance with a website or mobile application, please call us toll-free at 1-855-523-9355.
